#### ***Pisces Love & Sex Forecast 2010:***

In 2010 the Pisces will be grateful for more stability and less trouble in your love and sex life. Ahhhh, welcome relief after what you've been through in 2009! All of last year Saturn, the planet of restriction, was in the Pisces' relationship sector giving significant tests and strain to your partnerships. On top of that Uranus, the planet of revolution, was in the Pisces sign making oppositions to Saturn throughout the year forcing you to break away from outworn patterns in your relationships that have held you back. This year, the dust will settle.

#### ***Pisces in a Relationship Forecast 2010:***

It's been a long journey Pisces, but in 2010 I do believe you'll finally feel as if you've "found yourself." And because of this, the strain you and your partner have been through is likely to fade away with only some "last licks" between April 7th 2010 and July 21st 2010 as Saturn dips back into your partnership sector to offer one grand finale at the lessons of love and commitment he forced on you over the last 2 and a half years. If your relationship survived 2009 then in 2010 it will be stronger than ever before, Pisces!

#### ***Single & Dating Pisces Forecast 2010:***

You're a brand new Pisces this year as Uranus, the planet of revolution, completes his several year stay in your sign. You've been transformed from the inside out and your thirst for freedom and the unabashed right to express the Pisces' individuality is likely to be toned down between May 27th 2010 and August 13th 2010 when Uranus gives you a taste of what life is like when he's not in your sign. Pisces will have the chance for new love at the July 11th 2010 Solar Eclipse which falls in your 5th house of love and sex. Expect fireworks and for love to develop quickly, Pisces. Ready, set, go!
