Leo Love & Sex Forecast 2010:

While it's true that Leo is the most romantic and sexually playful sign of the zodiac, as 2010 begins it will feel as if you've lost your mojo. That's because Mars, the planet of sex and energy, will be retrograde in your sign. Mars won't turn direct until March 10th 2010 so don't count on the early months of 2010 to bring you unforgettable sex. Although you love to hear your partner panting "That was the best sex of my life" over and over with you, you'll have to wait until after March 2010 to hear this. Then, as usual, you'll deliver.

Leo in a Relationship Forecast 2010:

This will be a fantastic year to spice things up if you're in a relationship, Leo. Uranus, the ruler of your seventh house of partnership, will dip into Aries and your solar 9th house of long distance travel from May 27th 2010 until August 13th 2010. This is a time when you'll feel like "getting away from it all" will be the perfect remedy for any boredom the Leo has between the sheets.

Jupiter, the planet of luck, will be in your 8th house of intimacy for most of 2010 and that means you have the ability to explore sex with your partner in ways that take you out of your comfort zone. It's all good Leo!

Single & Dating Leo Forecast 2010:

In 2010 you may find that you enjoy some of the most gratifying sexual experiences of your life – you just have to wait until after March 10th 2010 for this to happen. Jupiter, the planet that rules your fifth house of love and sex, will be in your 8th house of deep, intense sexuality for most of the year with the exception of June 6th 2010 – September 9th 2010. This helps you transcend boundaries and surrender to your partner in a new and exciting way.
